# Coretech Knee Brace Undersleeve

SUP3004

HCPC: L2397

The Coretech Knee Brace Undersleeve keeps the Coretech OA Knee Brace in place during daily activities, providing greater comfort. Its closed patella is made with light and comfortable materials such as Nylon and Spandex for greater breathability. Machine washable. Helps to minimize chafing. The tapered design helps prevent the undersleeve from sliding.

## All-day Wear

The nylon and spandex blend creates the perfect level of breathability and softness for resisting excess moisture.

## Easy To Clean

Simply refresh your undersleeves by handwashing with soap and water or conveniently placing them in the washing machine.

## Superior Knee Brace Relief

Wear underneath any knee brace to improve comfort and prevent scratches, itching, and sliding during activity.
